

## **Public Notice and Posting**

### **City of La Quinta**

The City of La Quinta is updating its Americans with Disabilities Act (ADA) transition plan and self-evaluation. The accessibility plan provides a comprehensive plan for access for individuals with disabilities to City buildings, sidewalks, programs, services, activities, and events.

The City is seeking input from agencies, organizations and individuals with disabilities. The public comment period ends on November 30, 2011. The value of stakeholder guidance will help to address and prioritize current and future needs. Individuals who would like to provide input are invited to complete a survey, call or email the ADA Coordinator. Surveys are available for organizations, patrons, community members, employees, and other interested individuals who wish to participate in the evaluation.

Your comments and opinions are important and will provide valuable information regarding how the City can better serve individuals with disabilities. Surveys can be found at [www.la-quinta.org](http://www.la-quinta.org), mailed to you or are available at: City of La Quinta, Attn: ADA Coordinator, 78-495 Calle Tampico, La Quinta CA 92253.

If you have questions or comments or would like to request a survey in an alternate format, contact the City's ADA Coordinator via phone at (760) 777-7041, fax at (760) 777-7101, or e-mail at [tdeeringer@laquinta.org](mailto:tdeeringer@laquinta.org).

Additional information regarding ADA can be obtained from the ADA Coordinator. The City of La Quinta complies with the Americans with Disabilities Act of 1990, Public Law 101-336, which prohibits discrimination on the basis of disability.
