

Sharps Disposal by Mail™

It's Safe and It's FREE to Residents of La Quinta

Did You Know...

Improperly disposed syringes, hypodermic needles and other “sharps” can cause serious injury to your families and create health and safety hazards in your community. Until now, people who self-inject generally have had problems properly disposing of needles and syringes.

The City of La Quinta, in partnership with Burrtec Waste & Recycling Services, recognized this problem and responded by developing a used needle disposal program for its residents. This new program is easy to use and allows La Quinta residents to properly dispose of used needles and syringes, protecting themselves, their families and their community. The program is completely confidential and, best of all, is available **FREE** to La Quinta residents.

How to Participate

Take this card to one of the participating pharmacies below and receive a **FREE** Sharps Disposal by Mail™ container (BD#323488) and two **FREE** replacement containers per year.

Super RX Pharmacy - 78630 US Highway 111
La Quinta, CA 92253 Ph: 760-771-9999

Target - 78935 Highway 111
La Quinta, CA 92253 Ph: 760-777-8469

Walgreen's Pharmacy - 47900 Washington Street,
La Quinta, CA 92253 Ph: 760-771-1053

To receive your **FREE** Sharps Disposal by Mail™ container, you must provide proof that you are a resident of La Quinta. Such proof can include any one of the following:

- Driver's license
- Utility bill

If you self-inject for diabetes or other conditions, we strongly urge you to use the Sharps Disposal by Mail™ system (BD#323488) to dispose of your used needles and syringes responsibly.

For more information, please contact City of La Quinta 760-777-7035
