

City of La Quinta Enterprise Systems Catalog

Pursuant to Senate Bill 272 (Gov. Code § 7922.700; Formerly Gov. Code § 6270.5)

City of La Quinta Catalog Last Updated: January 26, 2026

In accordance with California Senate Bill 272 (2015), the City of La Quinta publishes this catalog of enterprise information systems. This catalog lists software and hosted services used by City departments that collect, store, exchange, or analyze information about the public or City operations. Free or publicly available utilities (such as Microsoft Edge or Adobe Reader) are excluded.
